THE STORY OF RIAEC TILES

Riaec Tiles has been a pioneer in the small format ceramic tile from India. Riaec Tiles was started with the purpose of developing the best collection in the small format ceramic tile for the bathroom, kitchen and other decoration based applications in the residential and commercial space.

Riaec Tiles has been providing the biggest range of subway base color tile collection as well as the ever developing range in the digital printing collection. With the use of 12 color System Digital Printing machinery, we are able to produce the biggest range of colors, applications and surface possible in this formate produced in India.
